

Burial wishes work sheet

Here's your last chance to exert your control over your dead body. Use this work sheet to map out a plan for your family to use at the time of your death. Affirm your wishes with family members to ensure that your wishes will be carried out.

Do you prefer a burial or cremation?

If you prefer a burial, where would you like to be interred?

If you prefer cremation, what would you like to have done with your ashes?
