

## Retirement timeline: How much should I have saved?

You've taken our video course, and now we're here to help you keep going. Figuring out how much to save for retirement can seem tricky, but we're here to guide you through the basics.

### Retirement quick tips

- Start saving early, and save more than you think you'll need.
- Balance between options like high-yield savings accounts, investments and 401ks.
- Take full advantage of any retirement-matching opportunities from your employer. A percentage or two can make a big difference in your retirement fund over time.
